

## Independent Smoke Sensor

**Model: SS13**

### Features

- Industrial design and high stability
- Infrared photoelectric sensor
- Local LED/Sound alarm
- Low battery alarm
- 1 year standby time
- Easy installation
- Dust proof, insect proof, anti-visible light
- 3C certification by China fire department

### Specifications

Model	SS13
Power	Battery AAA*2
Battery Life	1 year
Standard	GB20517-2006
Smoke Detection Sensitivity	0.10-0.3dB/m
Sample Mode	Natural expansion

Alarm Type	Sound & Light
Alarm Sound	>80dB
Operation Temp.	-10°C ~ +50°C
Humidity	≦ 95%RH
Weight	≈100g[with battery]
Installation	Ceiling mount with 3M tape or screws
